

## Treasure Challenge Terms and Conditions 2011-2012

We are pleased to announce that CREATE YOUR STYLE with SWAROVSKI ELEMENTS are delighted to sponsor this year's Challenge.

The cost of the Treasure Challenge entry is just £22.00 and is non refundable or transferable in any circumstances. The retail value of the goods included in the Challenge equates to over £50!

The Challenge consists of 6 different projects throughout the year on a bimonthly basis. Each time there will be a different project based around a colour theme for which we will provide an inspirational picture to help you.

### Details of the 6 Challenges

- 1) Treasure Chest, Key and Lock - decorated as you wish.
- 2) Neckpiece - something that is worn around the neck i.e. Necklace, lariat, collar, tie, etc.
- 3) Wrist or Hand Adornment - which could be a bracelet, cuff, bangle, glove but not a ring.
- 4) Jewellery Accessories - for example a fascinator, tiara, headband, ring and brooch set.
- 5) Wearable Decorative - possibly a corsage, brooch, belt, hand bag decoration, etc.
- 6) Designers Free Choice - let your imagination run free.

There are an additional two SWAROVSKI ELEMENTS that will be included in the challenge and the first additional piece will be an Owlet Fancy Stone, article number 3231. This component must be used in one of the challenges, does not matter which one, the choice is yours. It could be used for a clasp, decoration, focal point, etc. The other component which is a 20mm Helios Pendant, article number 6040, will be in your next challenge pack.

The bimonthly challenge can be collected in store or may be posted to you when you are ordering goods online. These can be added to your order from the Challenge section of our online shopping site which can be found on our website [www.stitchncraft.co.uk](http://www.stitchncraft.co.uk). No further charges will be made unless you wish the challenge items to be sent under separate cover and then they will incur a postage and handling charge of £1.00 for UK residents. Republic of Ireland and overseas members will be charged at airmail postage rates for their country plus 60p packing fee (£3.00 for the first Challenge pack which includes the Treasure Chest for the UK, £3.50 for Europe and Rest of the World £4.20).

Republic of Ireland and overseas participants are responsible for any postage, courier charges, taxes or duty.

All pieces of work must be your own work and original, i.e. Not a copied project or pattern from books, magazines or workshops or a group project.

All pieces to be clearly labelled with your name and account number. Existing customers already have their own unique customer number and new members will be given theirs once registered on our system.

Treasure Chests to be labelled on the base with name, address, telephone number and category entered.

If there is no category on the base of the box your piece will be on display but may not be entered for the prize.

All entries are to be displayed or presented with the decorated treasure chests and all finished challenges.

Stitchncraft Beads and SWAROVSKI ELEMENTS have the unrestricted right to photograph, to publish and use the images on Facebook, on our websites and in our printed media, with of course, credit to the original artist.

All entries to be received at the Stitchncraft Studio no later than Saturday 28th of July 2012. Any entries received after this date will be excluded from the competition.

Entries will be retained for display throughout the month of August 2012 and then may be collected in person from the studio after September 1st 2012. These may also be requested for display by SWAROVSKI ELEMENTS for Swarovski events. Stitchncraft Beads will not pay for any return postage or courier charges. Entrants will be charged for return postage or courier charges at cost plus £1.00 packing fee.

There is no restraint on size of projects and entrants may add beads, findings, found objects, knitting yarns, fabrics, mixed media, etc to their designs. The only exception to this rule is that projects may not include any other brand of **crystals** other than SWAROVSKI ELEMENTS. For the designs, only 100% SWAROVSKI ELEMENTS can be used by entrants and the use of other (third party) crystal, stones or crystal stones imitating cut crystal stones (pressed crystal stones, semi-cut crystal stones, Czech fire-polished), glassware or other competitive products is explicitly prohibited.

Only entries completing all six challenges will be entered into the final judging of which the judges decision is final.

Any deviations from the competition terms and conditions will be disqualified.

There will be three levels for entry, beginner, intermediate and advanced. The winner in each category will receive a SWAROVSKI ELEMENTS special prize and a gift voucher worth £75.00 from Stitchncraft Beads.

Beginner (beading 1 year or less)

Intermediate (less than 5 years but more than 1)

Advanced (more than 5 years, selling your work or teaching)

The judging will take place at the Stitchncraft Studio on Saturday 4th August and the judges decision is final.

If you have any queries or questions about the Treasure Challenge please do not hesitate to email us with your query. Send email to [treasurechallenge@stitchncraft.co.uk](mailto:treasurechallenge@stitchncraft.co.uk)

Have fun, enjoy the Treasure Challenge whilst dreaming of your very own beautiful, quiet, warm, Desert Island (complete with all modern amenities of course)!

Lynn, Kevin and all the Team at Stitchncraft Beads.
